THE ENERGY AND CLIMATE
SECURITY RISK NEXUS IN
EUROPE:
WHAT'S NEXT?

**Philippe Kupfer, Commercial Counsellor of
the Austrian Embassy | Director of
ADVANTAGE AUSTRIA Bulgaria**

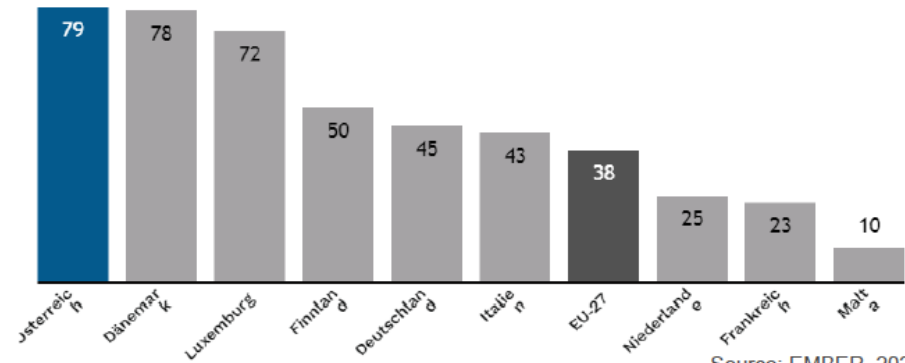

The Austrian Economic Chambers about COP26

4 important frameworks that companies need for their investments:

- New, innovative financing model
- Better access to climate-neutral energy
- Infrastructure offensive
- Empowerment of competition

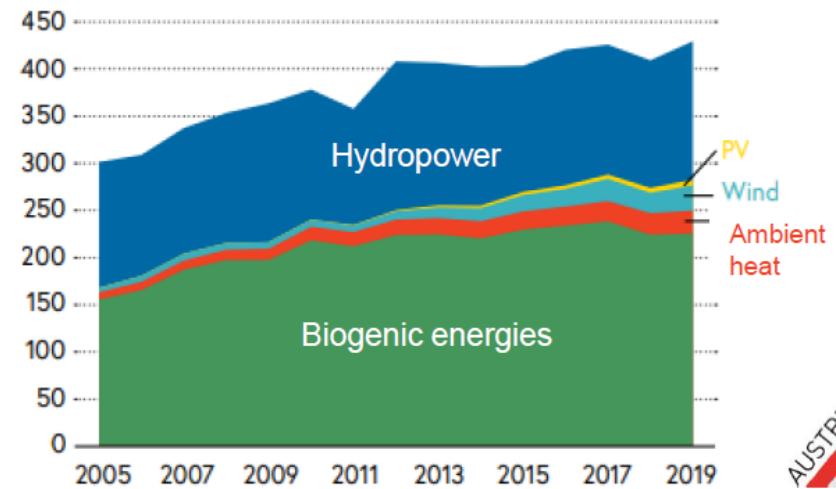

Share of electric energy from renewable sources in percent, in selected European countries
